## **Sargisson Beach Park Ranger**

The Town of Groton Conservation Commission is seeking qualified applicants for a part-time Park Ranger position. The Park Ranger will be responsible for assisting with the maintenance and operations at the Sargisson Beach Conservation Area from approximately May 21 until September 7, 2018. The hours are flexible (approx. 15-20 hours/week) with daily maintenance concluding by 10:30 a.m. The position pays \$11.00/hr.

We are looking for applicants who are responsible and personable, have their own transportation, and enjoy working outdoors. This position involves performing minor maintenance of facilities, monitoring usage of the area, picking up trash as necessary, directing drivers to appropriate parking spaces, and maintaining a clean parking and beach area. Due to the seasonal nature of the position, applicants should be prepared to work on holidays and weekends during the summer. Landscaping experience, including the operation of a gas-powered leaf blower, is a plus.

To apply, please complete a Town of Groton job application and deliver to Melisa Doig, Human Resources Director, Town Hall, 173 Main St., Groton, MA 01450 or by email to [humanresources@townofgroton.org](mailto:humanresources@townofgroton.org). For questions please call (978) 448-1145. Job description is available by request.

**Applications due by April 6, 2018**  
**(Or until position is filled)**
